EGGOLOGY FRESH EGGS/FOOD SERVICE

## There's a better choice in healthy eating.

Eggology started with a focused mission: to provide 100% fresh liquid eggs to pro-athletes who wanted the best source of protein. When you do something right, other people notice. We quickly became the preferred brand for gourmet chefs, grocery stores, specialty food stores, hotels and home cooks across the country and the world.

These days, customers everywhere are more health conscious. They're looking for fresh, wholesome products without additives or the hazards of food production processes. The perfect solution? Eggology fresh eggs. They're 100% pure, pasteurized, fresh, kosher and USDA approved, adhering to the highest testing and safety standards. And, we have the flexibility to easily satisfy the complex needs of the foodservice industry. We think it is simply the best and healthiest egg on the market today.
